The North Hanley Station serves a diverse population living in an area with a mixed suburban development pattern. Interstate 70 runs east-west through the heart of the station area, and North Hanley Road serves as its major north-south thoroughfare. The residential neighborhood consists of single-family detached homes south of the MetroLink station, and two-story apartment buildings west of North Hanley Road. The station is in close proximity to the University of Missouri – St. Louis campus, and is surrounded to the north and east by large corporate campuses, most notably Express Scripts and the NorthPark business park.
