

REQUEST FOR PROPOSAL
Delmar Loop Trolley Construction Management Services
14-RFP-99129-DGR

The Loop Trolley Transportation Development District (hereafter referred to as LTTDD) is establishing a new 2.2 mile trolley service that will run from the St. Louis History Museum through the Delmar Loop Area. LTTDD is interested in entering into a contract for professional services with a construction management firm to provide construction management consulting services for the Loop Trolley project.

Proposal Due:
December 19, 2013 @ 02:00 p.m. St. Louis Time

All proposals must be sent electronically via Metro's Sourcing system. No Other Submittal Source is Acceptable.

The use of this web-based system is provided at no cost but proposers must have internet connectivity, have an e-mail address, and be a registered user of Metro's iSupplier. Once registered, proposers will be able to access real-time information in sealed bids, query invoice statuses, payments and view any bid on Metro solicitations.

New suppliers to Metro must register at <https://procurement.metrostlouis.org> iSupplier.

Existing suppliers must send an e-mail requesting registration to: procurement@metrostlouis.org. Include your company name and the e-mail address of your point of contact. An invitation to register will be sent to the e-mail address.

Once registered in iSupplier, use negotiation number 99129,1 for solicitation information.

Metro has determined a Disadvantaged Business Enterprise (DBE) goal of 17% for this project. DBE firms are invited to bid directly or with another firm.

Contractor will be required to comply with all applicable
Equal Employment Opportunity laws and regulations

Information contained herein may be subject to change.
