Smart Card Testers Needed!

Metro's transition to a new smart card payment system is moving forward.

The hardware installation at MetroLink stations has been completed and we need your help to test the equipment.

Smart Card Testers:

- Will continue to pay for their own fares during the test period.
- Will be entered into a drawing for a chance to win a monthly pass or another great prize when they register their new smart card online and complete two evaluations of the system.
- Will help bring this exciting new technology to the St. Louis region.

IT'S EASY!

If you are a current **MetroLink** rider, **Take the Survey** at:
